

# College Visit Questions Checklist

Bring this checklist to every campus visit to make sure you leave with clarity — not confusion.

## Academics & Majors

- ■ How easy is it to change majors?
- ■ How many students are in introductory classes for my major?
- ■ How accessible are professors outside of class?
- ■ What academic support is most commonly used by students?

## Advising & Support

- ■ How is academic advising structured?
- ■ What happens if a student struggles academically?
- ■ Is tutoring included or extra?

## Career Preparation

- ■ How do students find internships or research opportunities?
- ■ What percentage of students have internships before graduating?
- ■ What career support exists starting freshman year?

## Campus Life & Fit

- ■ What do students do on weekends?
- ■ How involved are students outside the classroom?
- ■ What type of student thrives here?

## Outcomes & Logistics

- ■ What is the four-year graduation rate?
- ■ How often do students graduate in more than four years?
- ■ What happens if housing is full?
